Henry Wheeler 99 Year Old Visitor

We were surprised by a 99 year old WWII visitor from Colorado to the meeting on November 25, 2019. He was very articulate and what made his story more interesting was he served as a volunteer Platoon Sargent in the Australian Army from 1939 to 1945. His Division was unique in they fought four different country's armies: the Italians in North Africa, the Germans in Greece and Create, the Vichy French in Lebanon and Syria and the Japanese in New Guinea. No other Allied unit fought all four armies.

Elmo Maiden Returns to Kansas, Receives Jayhawk Welcome

“Please turn your attention to the court for today’s Salute to Service, and welcome World War II B-24 bomber pilot Elmo Maiden. Elmo enlisted in the Army Air Corps in 1942 and served in the European Theater during World War II in 1944 and 1945, flying 35 combat missions, including a successful crash landing in France after losing three of his plane’s engines with no crew injuries. After leaving active duty, he continued to serve in the Air Force Reserve and retired as a Lieutenant Colonel in 1975. His medals include the European-African-Middle Eastern Service Medal and Air Medal with 4 Oak Leaf Clusters. He has been inducted into the 2nd Air Division Heritage League’s Hall of Fame and awarded the French Medal of Honor.

A mechanical engineering graduate, he played basketball, football, and baseball at KU and this past July celebrated his 100th birthday!

Ladies and gentlemen, please join us in thanking World War II pilot and KU alum, Lieutenant Colonel Elmo Maiden, for his service to our nation."

All the while, the video board overhead captured a present image of Elmo in his cadet uniform. And just to cap off the eventful evening, Kansas won the basketball game 74-62! Afterward, we stayed around to talk with KU players and Coach Bill Self as they exited the locker room. We were able to collect autographs of all but one player, as well as that of Coach Self. All this, following conducted tours earlier in the day of the KU athletic department and Allen Field House (during which Elmo was presented with a KU letter jacket!), as well as the Engineering and Fine Arts departments, made for a perfect ending for both Dad and his three grown kids!
